

## Where did I Start?

- From seminar course conducted by Prof.Dr.Prabhas Chongstitvattana
- The students selected one of their interesting topics.

## What's the Next?

- Using Mind to Control Computer
- I started to dig in the internet about this.
- And found

## Intuition

- ◉ I love a work from Osho, “Knowing beyond logic”
- ◉ It’s about Intuition.
- ◉ Many people work from where reason does not work.

Intuition = ปึ่งແວ້ນ ມີຄວາມຄົດປິ່ງຂຶ້ນ  
ກະທັນທັນ

# Intuition

- ◉ Man's intuition is almost absolutely corrupted.
- ◉ Woman's intuition is not corrupted as much.
- ◉ How can we think using intuition?

## About our brain
